DELLTechnologies

PowerEdge Servers are Number 1.*

Server #1

Introduce your customers to Dell Technologies **PowerEdge** servers and they'll benefit from the P.O.W.E.R. you'd expect from the #1 global provider*: Performance, Open management, World-class support, Exceptional value and Reliability.

Modernize without compromise
Developed around scalable business architecture, intelligent automation, and integrated security, the **PowerEdge** servers deliver features specifically designed for your customers to modernize their IT infrastructure, and all with no-compromise thanks to the ground-up design.

Performance
- Powered by 2nd Generation Intel® Xeon® Scalable processors, Dell Technologies PowerEdge servers can deliver a performance increase for core business applications
- Industry-leading power efficiency [performance-per-watt] drives down run-time costs
- Highly scalable architectures and flexible internal storage maximizes performance across the widest range of applications

Open Management
- Seamless integration with leading management tools: MS System Center, VMware vCenter, Nagios, CA
- Leaders in open systems: a driving force in **RedFish**, **Ansible**, and **RESTful** APIs
- **Dell iDRAC** and **OpenManage** allow you to save significant time in server set-up

World-Class Support
- Considerably faster issue resolution with **Dell Technologies ProSupport** and **SupportAssist**™
- Near perfect customer satisfaction for **Dell Technologies** Global Support Services

Exceptional Value
- Seamless integration with leading management tools: MS System Center, VMware vCenter, Nagios, CA
- Leaders in open systems: a driving force in **RedFish**, **Ansible**, and **RESTful** APIs
- **Dell iDRAC** and **OpenManage** allow you to save significant time in server set-up

Reliability
- Product longevity: Our solutions offer among the longest lifecycle in the market
- Global consistency: products, support and pricing. Global product management putting our customers first
- Reliability of people, process and product (consistent leadership, culture and values for more than 30 years)
